- 1 LOW THRILL RIDES – Rides that are generally calm and gentle in nature.
- 2 MILD THRILL RIDES – Rides that generally have low speeds with gentle motion and braking. Rides have smooth transitions with some changes in elevation and speed.
- 3 MODERATE THRILL RIDES – Rides that generally have low to medium speeds and/or heights with moderate motion and braking. Riders may encounter unexpected changes in direction and/or speed during portions of the ride.
- 4 HIGH THRILL RIDES – Rides that generally have medium to high speeds and/or heights with moderate to rapid braking. Riders may encounter unexpected changes in speed, direction and/or elevation.

SAFETY PLAN – GUEST INFORMATION

Gilroy Gardens staff members are trained for emergency situations. We recommend you discuss the following with your group, including children who are old enough to help ensure their own safety. Gilroy Gardens has a no smoking policy.

Lost Children – Contact Security for assistance. If your group travels with a cell phone, we recommend you attach that number to your child. Wristbands are available at the Welcome Center, free of charge, for this purpose.

Lost Articles – For your safety, do not enter unauthorized areas to retrieve lost articles. You may be seriously injured if you enter an unauthorized area. If you lose an article on a ride, you may notify a Rides Associate or check Lost & Found at the Welcome Center at the end of the day.

Contacting First Aid or Security – Any employee in uniform is trained to assist you in locating a Security Officer or contacting First Aid. Note: Dialing 911 from your cell phone will waste time, as these calls go to an outside agency, and we will be unaware that you require assistance.

Emergency Exits – Should a situation arise in which the Park is evacuated, please make note of the four major Emergency Exits. Emergency Exits are marked with our "EE" Wayfinding System.

• EE Hall's – Beside Hall's Mercantile across from the Photo Booth, to employee parking lot.

- EE Monarch Garden – Between greenhouse and Quicksilver Express Mine Coaster, to main parking lot & First Aid.
- EE San Juan – Beside San Juan Grill restaurant, to back access road.
- EE Water Oasis – Between Villa Pasta & Pizza restaurant and Water Oasis entrance, to back access road.

Rider Safety

- Rider Responsibility: State law requires riders to obey all warnings or directions and behave in a manner that will not cause injury. Guests shall report all injuries before leaving.
- Safety Guidelines are located at the entrance of all rides and attractions.
- Guest Assistance Guides are available at the Welcome Center. A limited number of wheelchairs are available at the front gate on a first-come, first-served basis.

Supervising Companion Policy

- Many of our rides require a supervising companion to ride with a child who is below a posted height. To be considered a supervising companion, you must meet the following criteria:
- 1) Must be at least 14 years old.
 - 2) Must meet the ride criteria to experience the attraction.
 - 3) Must ensure that the child being supervised remains properly seated and follows all rules and regulations of the ride.
